In May we celebrated Mother's Day. In June we celebrate and remember our fathers. As Sungmu wrote in his article last month, we all recognize that those who had been abused or ignored by their fathers may not have good feelings as they call God the Father. But we have all had those men in our lives that have been like a father to us.

When we were a child, he was strong and powerful. We knew he would stand between us and danger.

He has integrity. He models moral behavior through his life and his words. Many of these men will often say "a man is only as good as his word". We want to be like him.

He is approachable. We can talk to him, sharing our thoughts, our hopes and dreams, our fears and concerns, knowing he will listen and be thoughtful and respectful. We can trust him not to share our confidences.

He is loving and dependable. He has expectations of us, not in a worldly sense of success, but in the "content of our character". He set the standards.

I am realizing that I could continue listing qualities of good men, good fathers, for pages. We already have all the information we need on this topic. A protector. A strong shield in times of trouble. Just and merciful. Loving. Slow to anger and of great kindness. The scriptures are filled with what God is like. Just read the Psalms.

I have to take this opportunity to say how God blessed me with my father. He was one of the finest men I have ever known. On this Father's Day I will thank God for him. Take your opportunity to thank or remember those men in your life who have fathered you.

**FINANCE
 COMMITTEE**
 Greg Slone

Adjusting for carryover from last year, the current general fund balance as of the end of April was roughly a year to date deficit of \$2,000.

To address new Connecticut retirement savings laws, the church will be offering retirement savings options to most paid church employees (including the Churchery school). The treasurer Walt Sargent will be providing information packets to all church employees (including the Churchery school) except for the pastor (who is already enrolled) in the near future.

The retirement savings accounts are part of the WesPath retirement savings program that serves the United Methodist Church. Employees are required to fill out and sign the form designating if they choose to invest in the program (and at what amount) or if they choose to opt out of the program. The amount invested in the retirement accounts will be deducted directly from payroll on a pretax basis.

**MEMORIAL
 GARDEN**
 Greetings to you from
 the Garden Committee,

The Memorial Garden welcomes you, one and all. Mother Nature does not discriminate on any basis and welcomes everyone to the garden to enjoy its peacefulness and its beauty.

The garden tasks are in full swing to get us ready for the summer. We completed our first workday in April to get the ball rolling and now we have more plans to implement for the month of June. The annuals have been planted, the irrigation system is up and running, we have completed our annual visit with the arborist to ensure that all of the trees in our care are healthy, we have trimmed, we have weeded, we have removed some items which did not survive the winter, we have transplanted some flowers, we have trimmed some bushes, we have raised the US and Methodist flags on the flagpole, etc, etc, etc. To use an old phrase, we have not let any grass grow under our feet. And why do we do all this work? Plain and simple. So that everyone may enjoy the beauty of the garden.

The Garden Committee has restarted its monthly meetings, the 4th Tuesday of each month. Please join our committee to help keep this garden gem polished and beautiful for many years to come. We are looking for new members who don't mind getting their fingernails dirty occasionally. If you are an avid gardener or just a novice, please consider joining us in the garden. No prior training is necessary, only a desire to work with Mother Nature to make a beautiful garden for ALL to enjoy. Please contact Jeff Tremback (Garden Committee chairperson) or anyone else on the committee. Membership on the Garden Committee is a very rewarding experience. PLEASE join us.

The garden belongs to ALL so please come to enjoy its beauty and its serenity. Please schedule some time to visit the garden each week and mark it on your calendar. Block out some special time to relax and recharge your soul.

God bless, Jeff Tremback-Memorial Garden Chair

REPORT OF TRUSTEES

John Fillian, Chair

I would like to open up a topic with you that has been in discussion with the trustees for a while. With the changes and new activities that are being planned through the revitalization committee and our overall outreach program, there have been more outdoor activities planned. (As there should be, We do have a beautiful piece of property) This being said. Our focus has been on the appearance and maintenance of our property. A quick walk-through survey was done and this is what we found.

We have approximately 3000 ft.² of garden bed. 83 bushes 26 midsize trees and 20 large trees. These numbers do not include memorial garden. Unfortunately, we have no provisions to maintain these plants. Trustees has a spring cleanup, which entails the correction of what I call the sins of winter. This would be snow plow divot repair, pick up and storing snow stakes, cleaning up of branches and miscellaneous. The fall cleanup is to prepare the grounds for winter. During these two events, we do end up spending a lot of time tending the plants.

Two days a year, that is no way near the amount of time to keep up with the trimming of the trees and bushes, weeding of the beds, edging, maintaining the mulch around the gardens etc. We feel as though proper and continuous maintenance of these beds and trees, would consist of multiple hours a week.

We understand many of these plants have a purpose. Some being to hide gas pipes, Hide air conditioning condensers, And some would say, soften the harsh look of our exterior. Leaving the question, how do we maintain these plants and beds, keep their purpose and use them to enhance the visual appearance of our church.

It's quite a task, that's understood. In conversation, we've come to a conclusion that in order to begins to take on this task we believe the first thing that has to be done is to reduce the maintenance footprint. A smaller footprint leads

to less trimming, less pruning, less mulch, less hours, less work.

A well maintained smaller garden is much more appealing than a semi maintained larger garden. This topic is wide open for discussion and various viewpoints are encouraged. The following is a thought on how to begin to lighten the maintenance load of our exterior. And still maintain the purpose of the plants.

With The new pavilion being built in our front yard these stairs to the patio will be used much more often than they are now. The removal of the plants circled in red will give us better access to the stairs.

Removal of circled plants . Opening up more grass area. And still maintaining a visual appeal and blocking gas pipe.

Removal of circled plants. The tree and plants to the right will remain as a nice visual entrance to the sanctuary.

Green box would be location of bushes from the previous picture. Existing bushes in green circle relocated to in front of existing bushes against the wall. Space in front of bushes to be turned into grass. Early flowers to be left to grow. And later blooming flowers to be moved to Churchery school bed

Green circled plants would be moved to the space in front of the wall. Creating a continuous bed. The ground in front of balance of the plants would be turned into grass. Ground cover, irises could be moved to the Churchery school bed. The early flowers could be left to grow through the grass. These flowers bloom before the grass needs cutting

Remove weeds. transplant, irises and miscellaneous to the space for ground cover

Two bushes in red box to be moved to location against wall

Again, the thought is reducing the footprint, reducing the work, maintaining a visual appeal and maintaining the purpose.

Your thoughts are encouraged.
Thank you.

REVITALIZATION TASK FORCE UPDATE

John Baily, Chairperson

It's been a year since a group of MUMC members began the Revitalization effort at MUMC. Rather than lamenting the toll that COVID had taken on our membership and finances, this group took the initiative with the approval of Pastors Joseph and Lee to begin revitalization.

We kicked this off with a highly successful picnic on the church grounds and continued with a variety of events over the ensuing months. failures of this effort to date. Attendance has We have begun to evaluate the success and largely improved, but despite our efforts, our youth programs are still a work in progress.

Greg Slone, Chair of our MUMC Finance committee reports we are still projecting a deficit for 2013 but that projected amount has been cut significantly. We still need to grow our contributions over the rest of the year.

Attendance at our planned events has largely met or exceeded our expectations. However we have not met our goal of drawing our neighboring communities into our activities or our services. We need everyone to invite friends and neighbors.

We still have a relatively small group planning and executing our activities. We need more of you to get involved [even if it's only setting tables or washing dishes]. You are welcome to join our meetings on the fourth Tuesday of every month at 7 pm either in person or online.

FROM PASTORAL CARE:

THURSDAY LUNCH BUNCH

Lunch Bunch is a casual get together of MUMCers **every Thursday at noon (except week of First Friday Potluck Lunch)**. We bring our own lunches, sometimes share some cookies. It has become such an **enjoyable custom**.

With the warmer weather upon us, we have begun to meet in the Memorial Garden when the weather permits it. In addition to enjoying a meal together, we share stories, memories and even discuss current affairs a bit. Always lively conversation and fellowship. Won't you join us? Just pack up your own lunch, and grab a lawn chair (limited bench space available.) **There's always room for more!!! Just give us a try!!!!**

FIRST FRIDAY POTLUCK LUNCH TO HONOR OUR NONAGENARIANS AND CENTENARIANS!!!

Friday, June 2 – 12 noon

Please join us on Friday, June 2 when we gather to honor MUMC's nonagenarians and centenarians. We'll honor all – even those who have moved to a warmer climate!!! We'll have special entertainment and share special memories. Please join us – Bring your favorite dish to share if you can, but not required.

KEEP US INFORMED!

Just a reminder that if you should hear of someone from the congregation who is ill or has another need for pastoral care, please notify the church office who will share the info with the Pastor and Pastoral Care Committee.

Too often we all think someone else has passed on this information especially to the Pastor and that is not always the case. Thanks for your help in keeping us all informed and able to keep all in prayer.

FELLOWSHIP HOUR

Linda Kime

Fellowship Hour is back in full swing down in Fellowship Hall after Sunday worship. Keeping it very light and simple this year. We appreciate the committee members giving us this service.

June Fellowship Hour Host is...

EDUCATION COMMITTEE

MUMC's Education Committee organizes, supervises and oversees the total program of Christian education for all age levels including Sunday School, Children's Church, Vacation Bible Camp, and adult studies. Also coordinates and oversees workshops and events for children for special occasions including Christmas pageant, Advent and Holy Week workshops and Reverse Trick-or-Treat and Valentine visits to local convalescent home, and recognition of graduates and confirmands.

MUMC TEAM FOR RELAY FOR LIFE OF FARMINGTON VALLEY

Relay For Life of Farmington Valley was again a fabulous success and had 1200+ people in attendance!! We passed our \$400,000 goal and will once again be recognized as a top Relay event in the U.S. Luckily, we postponed it to Sunday so everyone could enjoy dry walking weather, emotional ceremonies/speakers, dancing, eating, and finally dusk lighting of hundreds of luminaria bags along track, then the remembrance torches. MUMC is recognized as raising \$3359 towards the fight against cancer!! Although we only had Samantha Kime for a couple hours giving out hugs, Chalise Ross was there with Ella's team and Steven Baily was there supporting Alex and Thomas' teams. Kay, Brian, Alexa and Justin Hunter at their Charlotte's campsite. And Joan Robinson stopped by!

Cinco de Mayo supper was enjoyed by ~40 attendees. Workers also had fun (John Fillian, Dave Chase, Tad and Vicky Kuziak, Kathryn Robinett, Laura Gorden, Linda Arnold, Linda Kime)! The dinner raised \$350 cash, \$300 in donation checks. The other \$2709 came in as online additional generous donations. Our church name was announced several times because of the "virtual Survivor bibs" pick-up was at our campsite.

My hope next year is that we can get more MUMCers there to show our community what a friendly group we are!

SOMETHING OLD? SOMETHING NEW?

MONTHLY POTLUCK SUPPERS

Our “first” monthly Pot Luck supper brought out about 20 members and friends who enjoyed an evening of a variety of food, fellowship and conversation. We will continue with a monthly Pot Luck Supper, the next being **FRIDAY, JUNE 16 AT 5:30**. We hope you will join us for the opportunity to share a meal and some great fellowship, conversation and getting to know each other better.

Suppers are open to the public. Please invite family, friends and neighbors to join you. If you can, bring your favorite casserole, main dish, vegetable, salad, rolls/bread or dessert to share, but it’s not compulsory.

STAFF-PARISH RELATIONS (SPR)

REDUCED HOURS FOR THE SEXTON LET’S ALL PITCH IN!!!

(Linda Kime / Matt Ross, Co-Chairs)

Our Church Sexton weekly hours have been reduced as of May 1. SPRC worked collaboratively with Bill (at his request) to reduce his hours. While we know he will continue to keep our church neat and tidy, we all need to do our part to assist and help lighten the burden.

If your committee, group, or family uses the church, please be sure to help out by cleaning up after yourself including returning any furniture that was moved and taking out garbage and recycling to dumpsters.

BEREAVEMENT SUPPORT GROUP VISION, PURPOSE

Allen Nixon

Everyone grieves differently and in their own way, and your grief will vary from day to day. There is no simple answer or definitive process for your grief, but know that you are not alone. This is the fundamental benefit of MUMC’s Bereavement Support Group, knowing you are not alone and to remember Christ is always with you, and His grace supports us.

This Support Group provides a safe place to share each other’s experiences, concerns and emotions that may be causing pain. Talking with the group about one’s experiences with grief and listening to what others have experienced affords a great benefit to understand and process our personal grief.

Your time with the Bereavement Support Group is a time specifically set aside for you to process your grief, away from distractions and the day-to-day frustrations and interruptions we all experience. Here you may cry, remain silent, and express your emotions without fear of judgment, as the members of this group understand what you are going through.

The Bereavement Support Group meets the **third Wednesday of every month, except July and August, from 10 am to 11:30am**. The meeting is held in the parlor and also on Zoom; the Zoom meeting ID and password will be sent to Group members several days prior to the meeting.

THE OTHER GOOD BOOK GROUP

[Contact: Heather Kelsey,
hmkels@aol.com
(860) 670-1163]

Our June discussion will center on *The Last Runaway* by Tracy Chevalier. “In New York Times bestselling author Tracy Chevalier’s newest historical saga, she introduces Honor Bright, a modest English Quaker who moves to Ohio in 1850, only to find herself alienated and alone in a strange land. Sick from the moment she leaves England, and fleeing personal disappointment, she is forced by family tragedy to rely on strangers in a harsh, unfamiliar landscape. Nineteenth-century America is practical, precarious, and unsentimental, and scarred by the continuing injustice of slavery. In her new home Honor discovers that principles count for little, even within a religious community meant to be committed to human equality. However, drawn into the clandestine activities of the Underground Railroad, a network helping runaway slaves escape to freedom, Honor befriends two surprising women who embody the remarkable power of defiance. Eventually she must decide if she too can act on what she believes in, whatever the personal costs.” [goodreads.com]

We will meet Sunday, June 18th at 7pm in the Parlor (and on Zoom) and all are welcome!
